

March 10, 2016

Dear Valued Customer:

This is to notify you that PSE&G will begin underground construction on the PSE&G and public rights of way in your area. This construction is part of our transmission upgrade initiative to ensure reliable electric service in the Borough of Waldwick, as well as surrounding communities.

Underground construction activities are expected to begin on or about Monday, March 14th, 2016 from approximately 7:00 AM – 5:00 PM, Monday – Friday, as well as some Saturdays. Construction activities include the installation of manholes and underground pipe. This work is expected to be complete in May, 2016, weather permitting.

Our work locations are expected in the following locations:

- **Hopper Avenue between Alexander Avenue and Wyckoff Avenue**
- **Wyckoff Avenue between Hopper Avenue and Monroe Street**
- **Monroe Street between Wyckoff Avenue and Evergreen Street**
- **Evergreen Street between Monroe Street and Hemlock Street**

Safety is our primary concern. PSE&G will work with the Borough of Waldwick Police Department to minimize any traffic concerns or inconvenience to the public. During construction, please refrain from going near our construction work zones.

If you have any questions or concerns, please call our toll free number at 1-800-901-5035.

Sincerely,

A handwritten signature in cursive script, appearing to read "Rosalie Serapiglia".
